“I’m Jerry Johnson, Douglas County Commissioner, and I’m proud to support Jeff Backer for State Representative!

Politicians make a lot of promises, but Jeff Backer gets things done!

Jeff secured increased funding for our nursing homes and schools, and Jeff passed a law to help rural ambulance services provide quicker response to emergencies in our communities.

With Jeff Backer, we get less talk, and more action!

Join me and become a Backer backer today!” (*with enthusiasm!*)
